MAKE-UP CLASSES WITH CLARITA SMIT

With so many amazing make-up brand/stores out there it is difficult to recognise the brand that will suit your skin type/tone and what you will feel comfortable with. We all can feel a bit overwhelmed, and what might work for your friend might not work for you. I would love to assist and help you find your perfect foundation shade, discuss your skin type and how to enhance your beautiful features.

Here at my Make-up and Lash studio we can play with various brands to find out what will suit your skin type the best. From drugstore to high-end make-up products, to make sure we find the best one for you.

WE WILL DISCUSS AND PRACTICE:

- Your skin type/skin tone and Face shape/eye shape.
- Learn how to apply your own make-up,
- How to do that perfect day and evening make-up.
- How to create a beautiful wing liner, and apply eye makeup for your eye-shape
- How to contour and highlight your features.

Come with a group of friends or just on your own.

Make-up classes per group p.person R600, one-on-one make-up classes R800 p.person.

Make-up brush-set is also available, at an extra cost. Please indicate if you want extra brushes when you make your booking.
